

Demo villa

A. Lodging description

Like an island within an island, this is Demo Villa. This small elegant resort is ideally situated on a fine sandy beach, well away from the bustle of the city and yet only five km from the magnificent Venetian harbour and the old town of Chania. Understated design, attention to detail, instinctive hospitality, great dining and a very personalised approach are only a few of the ingredients which make our small "island" a special getaway.

Check-in: 14:00 **Check-out:** 12:00

2. Terms & Conditions

- **HB** - Half Board

Half Board includes dinner and
